We are located at Butler Gardens, 18 Orchardleigh Road, Shanklin, Isle of Wight, PO37 7QH.

Please note - Sat Nav systems have a tendency to send people past our access - which is via the public car park on St John's Road, Shanklin. From the end of Orchardleigh Road turn left, then immediately left into the public car park. We are situated on the right of the car park, overlooking it. Building is built of yellow brick.
